The History of Central Christian University of SC, Inc.

In Mims, Florida, on July 15, 1978, with much prayer and consultation, the C. E. Graham Baptist Bible Institute and Family and Pastoral Counseling Center were founded by Reverend Dr. Charles E. Graham, Pastor of the Greater St. James Baptist Church, Mims, Florida. It operated for six years as an extension of Faith, Evangelist, Christian Bible College in Morgantown, Kentucky, and the National Christian Counselors Association (NCCA) in Sarasota, Florida.

The compelling need for such an opportunity became a challenge for Dr. Graham when he, a young pastor at the age of 37 years, discovered that his congregation needed deacons. Upon asking a bright young man who appeared to possess a hunger for spiritual knowledge to consider training to become a deacon, Dr. Graham was confronted with the weakness that most Black people in that area silently and secretly carried. This young man could not read or write. He desired to study and train; therefore, he asked Dr. Graham to teach him to read and to write.

In concern for the dignity of the young man and at the admonition of the Holy Spirit, Dr. Graham consented to teach the rising deacon if he would carry Dr. Graham to lunch. The deal was sealed with a handshake.

As Dr. Graham began the work that had been preconditioned, other preachers and lay workers in other churches who had been recycling sermons from others and themselves because they also could not read and write, began to seek out this young “teacher-preacher” to teach them. These spiritual soldiers no longer wanted to preach “Hear Say Sermons.” They desperately wanted to read the Word and have the Word speak to them so that God’s wisdom would abound. They wanted to be independent biblical scholars who created their sermons as the Holy Spirit prompted them. They wanted to interact with each other and articulate the gifts given to them by the Holy Spirit. They became a cohesive, interdependent, yet individual group of learners. The fire had been ignited that could only be quenched by Knowledge, Wisdom, and Application.

After six years of operating as a Bible Institute and Family and Pastoral Counseling Center College, a need became obvious for the addition of a Bible college and Theological Seminary. On May 1, 1986, an amendment was made changing the scope of the Bible Institute and Counseling Center to the C. E. Graham Baptist Bible Institute/College/Seminary, still operating as an Extension of Faith Evangelistic Schools. In August 1988, Faith Evangelistic Schools was transferred to the leadership of Dr. Michael A. Smith due to the illness and death of Dr. James Bishop, the Founder of Faith Evangelistic Schools. After much prayer, another amendment was made to the Constitution to become an independent school and to be chartered in the State of South Carolina. In May 1993, the C. E. Graham Baptist Bible Institute/College/Seminary was chartered by the State of South Carolina as a non-profit corporation, operating at 4916 Fairfield Road, Columbia, SC. It became an independent school affiliated with Faith Baptist College and Seminary, Church Point, Louisiana, as a Satellite school with full accreditation from the American Federation of Christian Colleges and Schools and became a full member of the National Christian Counselors Association (NCCA), one of the largest associations of Christian Counselors in the world, headquartered in Sarasota, Florida.

The school also made a request to the South Carolina Commission on Higher Education to be exempt from the State Licensure requirements, offering studies leading to degrees in the areas of Bible Study, Theology, Counseling, Church Leadership, and Christian Education.

On October 11, 1994, exempt status was granted clearance using degree titles such as Associate of ..., Bachelor of ..., Master of..., and Doctor of Theology, etc., which clearly label such degrees as professional.

On June 10, 2001, the school made another amendment to its bylaws to change its operational name to the C. E. Graham Bible Schools, Inc., because of the attraction of a wide variety of denominational backgrounds. On January 3, 2007, the School was chartered as Central Christian University of South Carolina, Inc.

To this date, Central Christian University of SC, Inc. is independent, liberal, and local church-oriented, meeting a neglected need in the field of Christian Education, Counseling, and Ministry. The University is missionary, both in belief and practice. Undergraduate, certificates, and diplomas are offered. Central Christian University of South Carolina, Inc. was accredited by Transworld Accreditation until 2013.

As the University has continued to prosper, Dr. Graham and the Board of Directors decided to increase the prestige and the appeal of the University by applying for accreditation with The Association for Biblical Higher Education (ABHE).

In February 2018, the ABHE Commission on Accreditation awarded Central Christian University of South Carolina, Inc. "Applicant Status." The University endeavors to complete this journey toward full accreditation with the Association for Biblical Higher Education with committed diligence.

Currently, Central Christian University of South Carolina holds "Candidate Status 2023" with the Association for Biblical Higher Education Commission on Accreditation (5850 T.G. Lee Blvd., Ste. 130, Orlando, FL 32822, 407-207-0808). Candidate Status is a pre-accreditation status granted to those institutions that meet the ABHE Conditions of Eligibility and that possess such qualities as may provide a basis for achieving accreditation statute within five years. In 2023, The Council for Higher Education Accreditation (CHEA) recognized CCU of SC as a member to receive national information.

Office of Financial Aid

The Office of Student Financial Aid (OFA) provides assistance to students and their families when identified federal, state, and private resources that can help students pay for the costs of education are not available. Advice and assistance are provided in completing and submitting a necessary payment plan. The goal of OFA is to assist students in understanding their financial aid options while explaining how the system works. Students and their families are expected to contribute to the cost of college. If a family is unable to contribute the entire cost, a financial plan is available to eligible students to help bridge the gap. Knowing their financial aid options and how to obtain them is an important piece to funding students' educational journey. Students may not know where to begin, and that is where OFA comes in to provide assistance, guidance, and information.

ENROLLMENT MANAGEMENT

Office of the Registrar

Class Attendance

Absenteeism in class: A student is allowed to miss a class during a semester one time per credit hour for the given course (*e.g., 3 times for a 3-hour course*). These absences are without penalty as long as the reasons for the absence are acceptable to the instructor. The student must attend class a minimum of 70% of the time in order to be given credit for the course (*except by consent from the faculty in extenuating circumstances*).

It is assumed that students will make the most of the educational opportunities available to them by regularly and punctually attending class periods. Therefore, regular class attendance is required as a condition of receiving credit for work done in the class.

A student absent from a class period is subject to a loss of "privilege status," and the instructor may reduce the student's grade or deny credit for that course unless the student satisfactorily accounts for the absence. **Distance Education students must make a monthly call-in or email to the Student Services Department.**

Student's Right to Privacy Act

Federal laws protect the rights of all students. CCU of SC observes these laws that provide that the institution will maintain the confidentiality of each student's official education record, as related to access to or the release of information. Reference: Family Educational Rights and Privacy Act (FERPA) of 1974, Sec. 438, Publ. L90-247, Title IV as amended, 88 Stat. 571-574.

The official policy and specific provisions of CCU of SC are as follows:

1. CCU of SC recognizes the privacy rights of all students from the time of their official registration at the University. The University permits each student who is or has been in attendance at the University to inspect and review his/her educational records.
2. Educational records include only those records maintained by the Registrar's Office that are directly related to students. All educational records are kept in the Registrar's Office and may be inspected on normal working days by appointment when the University is in regular sessions, except during registration periods.
3. Students who wish to inspect and review their educational records must request an appointment in writing to the Registrar's Office. For students who are currently enrolled, appointments will be scheduled no later than five working days after receipt of the request for an appointment. For students who are no longer enrolled, appointments will be scheduled no longer than fifteen days after receipt of the request.

4. A minimum fee per page will be charged for unofficial copies of educational records and copies of information disclosed from educational records. The Registrar's Office will deny a request for copies under the following conditions:
 - A. Improper or insufficient identification; or
 - B. Non-payment of fees.
5. The University recognizes the right of a student to seek correction of information the student believes to be inaccurate, misleading, or in violation of his/her privacy rights. If a request for correction is denied, the student will have the right to a full and fair hearing. If the student is dissatisfied with the findings of the hearing, he/she will have the right to place a statement in his/her educational records concerning his/her disagreement with the findings of the hearing and/or comment on the disputed information.
6. The University requires that a student give prior written consent for the disclosure of any personally identifiable information from his/her educational records, except when the disclosure is to administrative officials of the University and their staff, empowered by the president of the University to review such records in the execution of their duties, and when prior consent for disclosure is not required by law.
7. The University shall disclose directory information from the educational records to any member of the public who submits a legitimate request in writing with the proper picture identification and official purpose. Directory information includes:
 - Name of student.
 - Name(s) of parent(s) or other family member(s) of each student.
 - Student addresses.
 - Personal identifiers, such as social security numbers.
 - All other information, which would make the identity of the student easily traceable.
8. Any student who does not wish to have his/her directory information disclosed should notify the Registrar's Office during registration at the beginning of each semester in writing.
9. The University prohibits all third parties receiving information from student educational records from disclosing such information to any other party without the prior written consent of the student(s) involved.
10. The Registrar's Office will maintain a record of requests/disclosures for each individual student's folder.
11. The University recognizes the right of a student to waive any or all of his/her rights under Act 438 and the right of a student to revoke a waiver at any time, provided that the privacy rights of a student apply only to entries made in his/her educational records after revocation.

12. Parents of students under the age of 18 do not have to request permission or obtain waivers from the students to examine the educational records.
13. The Dean of Student Affairs is responsible for the effective administration of this policy, seeing to it that access to educational records is afforded to students without undue delay and that all requests are handled promptly within the guidelines of this policy. The Dean of Student Affairs will maintain such records to show compliance with Act 438.

Office of Admissions

Admission Policy

Generally, admission to Central Christian University of S.C., Inc. requires, first of all, that one must be born again; second, be willing to learn, have a high school diploma/G.E.D., and an application form completed and signed, considered on an individual basis by the admissions committee. Special admission applicants without a fully completed high school diploma will be considered on an individual basis if they are over the age of 18. The following criteria must be met for acceptance to a regular degree-seeking status:

1. High intellectual achievement and scholarship as evidenced by grades, entrance exams, and academic recommendations. Specifically included:
 - a) A cumulative GPA of 2.00 based on a 4.00 scale. A minimum 3.00 grade point average in the major is desired.
 - b) Each applicant must have a personal interview with an educational consultant to review his or her application and transcripts and determine the appropriate degree program the student should follow. These interviews must be in person.
2. Students are required to work individually with an advisor on an ongoing basis throughout each semester. This advisor helps the students set academic goals, develop a course schedule, adapt to college life, and identify and solve potential problems before they become crises. The advisor also assists the student when additional direction is needed.

In keeping with our philosophy, the admissions department gives attention to –

- (a) Scholarly attainment as shown by a school record and examination (GED),
- (b) Desire for continuing formal education,
- (c) Character and personality traits,
- (d) Emotional health,
- (e) Leadership qualities.

CCU of SC currently provides educational opportunities to applicants of all racial groups who meet the admission criteria listed below.

The Admissions Retention Policy

CCU of SC will maintain records that fall under only applicants' records. Applicants' records include information about the applicant's name, gender, birth date, home address, telephone number where parents or legal representatives may be reached, and emergency numbers. Other types of applicant records include admission forms, release of information forms, and VISA and passport information.

When to apply and enroll. Central Christian University of S.C., Inc. operates on a continuous enrollment system. This means that any qualified applicant may enroll in courses and/or degree programs offered by Central Christian of S.C., Inc. at any time.

The applicant must meet the established admission requirements, including approval by the Admissions Committee.

Students whose academic careers have been interrupted because of long-term illness (days beyond the minimum number of excused absences, academic probation, failure to remain in satisfactory financial status, or suspension) may appeal or reapply for admission the next subsequent semester. Because our community is commute-based and is adults 18 years and older, there are no considerations of expulsions. The exceptions are illegal/ criminal ramifications.

CCU of SC, Inc. admits students of any race, religion, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate based on race, religion, color, national or ethnic origin, or sex in the administration of its educational policies, admission policies, employment policies, and scholarship and loan programs. No courses used as credit toward undergraduate degrees will be accepted as credit toward a graduate degree. **Courses graded less than “C” will not transfer.** Copies of previous transcripts are to be sent to the CCU of SC, Administrative Office of the Academic Dean, for evaluation.

ALTERNATIVE ACADEMIC PATTERNS

The alternative academic courses at CCU of SC are very descriptive and consistent with those taught on campus. The titles of the courses in the catalog are similar to the course online training courses. The syllabus contains the same content, the school mission statement, and the required textbook. Other features that are similar to the syllabus are:

- Clear and measurable learning outcomes are characteristic of similar patterns in the undergraduate program and regular academic patterns in the institution.
- Assessments that can show to what extent the students have met the learning outcomes.
- Activities and other active learning strategies to allow students to practice doing what is described in the learning outcomes.
- CCU of SC tolerates no forms of falsification. The use of artificial intelligence is to be used with prudence and wisdom.
- Content provides sufficient information, explanation, and demonstration, in both written and visual forms, so that students can successfully accomplish the learning outcomes.

Library resources also include books, DVDs, CDs, cassettes, and a host of electronic resources. Students are responsible for accessing the technological resources necessary for the completion of academic responsibilities and assignments.

CCU of SC has adequate staffing, facilities, and technology to support programs in all delivery modes.

Since students have access from anywhere at any time, the instructor must ensure that the person performing the work is the person identified. Daily screenshots are taken during our class sessions to verify attendance. Some safeguards, such as students must log in to join the meeting on zoom.com, and only students are given the correct meeting ID and password from a secure source, in order to participate in the session to complete their coursework. (The admit button will let the instructor know when a student wants to enter the session.)

Instructors will save individual important assignments of their students in a file on their computer or make hard copies to be filed. If students commit fraud by providing answers from previous assignment assessments, cheating is constituted, and the student (whether spouse or classmates) will receive a zero for the assignment. Procedures for taking exams and submitting test questions are detailed in the procedures listed below.

Students who are enrolled in online learning must receive a briefing and participate in a conference at the beginning of the term on the utilization of the “Zoom program” during their semester coursework at CCU. They are given specific guidelines for participating in classroom assignments and provided the class ID and correct password in a timely manner before the class begins. They are required to bring their picture ID with them and present it when turning in their homework assignments. The instructor will take a screenshot to confirm that the person completing the assignment is the same individual.

The following guidelines are implemented:

- Teachers will inform students in advance of the date and time for class meetings and timely reporting. Teachers must technically admit the students when their names appear on the entrance key on Microsoft Teams.
- Students are notified by email at least three (3) days in advance of what handouts, supplies, and references, along with the designated textbook and syllabus, are required for each class.

- The mission of the college is stated frequently during each class meeting so everyone will acknowledge it.
- Previous lessons are reviewed, and the instructor may give general comments on graded assignments and how they can be improved if necessary.
- Students must bring their laptops with their webcam on, so the teacher may observe students during the class sessions and have a workable printer available to send clear copies of assignments when submission is required.
- Students are given a valid iCloud recording after class if they must leave early or are absent from a class session.
- Rubrics are given for grading assessments: journals, final written assignment projects, and sermons or discussions for the student's benefit in preparing final projects.
- Clear directions are given for MLA requirements in presenting the correct format on all written assignments. If students plagiarize any assignments, they will receive a failing grade or be allowed time to complete and resend the new assignment for grading. These projects are covered in the Faculty Handbook under *Faculty and Student Relationships*.

PROTECTION AGAINST FRAUD IN E-LEARNING SYSTEMS

With so much personal privacy information and possible security risks against some of the intelligence gathering by organizations, especially in the educational arena, recently, safeguards afforded by SIS and CMS (Content Management System) are necessary. Internal and external investigations and knowledge of fraud detection and preventive measures will limit the risk of educational institutions such as CCU or SC.

A. A SIGNED CONTRACT

All students will be given a course contract upon approval from the Vice-President of Academic Affairs, Dr. Mary Stover. This record will remain on file in the CCU of SC central office. (See Appendix # 3.)

STUDENTS:

B. CONFIDENTIALITY

Federal law specifies that student attendance and personal information such as addresses, telephone numbers, and grades are not to be disclosed to any third party-including spouses and parents-except to school officials with legitimate educational interest. If a student is hospitalized or otherwise unable to attend class, the information is to be treated as confidential. The request should be made to the Dean of Students or the Registrar.

C. ACADEMIC DISHONESTY

If students are suspected of cheating, their instructor will inform them. The student may explain or refute the allegation.

If the instructor still thinks the charges are founded, the student will be referred to the CCU of SC Dean of Student Affairs, who will listen objectively to the explanations offered and may rule on the findings or refer the student to the Vice-President of Academic Affairs. He/ She will receive a letter with the sanction grade of zero (0) and any other sanctions deemed appropriate. Students have the right to file an appeal. Once the hearing and the notice of the right to appeal have been completed, the instructor will be notified to apply the sanction grade of zero (0) or meet the optional solution.

D. EMERGENCY

For medical emergencies, students should get help immediately. Go to the nearest phone or have someone call from their cell phone 911 or the local police if it is a criminal matter. For non-life-threatening emergencies, have someone notify the faculty member in charge if the incident occurs during a class session or immediately afterward.

E. MEDICAL EXCUSES AND ABSENTEEISM

Students are expected to attend every class section of all courses for which they are registered. They are not permitted to have a certain number of absences. If there are medical reasons, students should provide legitimate excuse documents, but they should notify their instructors as soon as possible, either by text, email, or another medium, for missed coursework that will affect their academic performance. Students enrolled in online classes should notify the instructor or the Director of Christian Education as soon as possible, even if it is due to military service, such as National Guard or Reserve Duty.

ATTENDANCE POLICY

The Central Christian University of SC has mandates that we must observe to remain in good standing with the Accrediting institution and consistently maintain our professionalism in the educational arena to be competitive with similar programs in biblical studies. We must, therefore, hold our students to the same level of professional character and mannerism as other accredited schools. Students must attend all classes needed to be successful in this type of college credit class and are assessed only three (3) unexcused absences, or they will not receive credit for the course. If it is necessary to be away for official duties, illness, death, or other unforeseen legitimate incidents, the students must notify their instructor immediately. There will be no deviation from this policy unless there is extreme hardship or unusual circumstances, like the most recent flash floods or weather phenomena, so classes have to be canceled.

CHANGE IN TIME AND PLACE OF MEETING CLASS

In general, a change by a faculty member in the time and/or place for holding a class is discouraged. If it becomes necessary in special circumstances, arrangements for changing location and/or time may be made through the appropriate Dean of Academic Affairs, ensuring that all students enrolled are accommodated and notified in a timely manner. Prior to the completion of such arrangements, faculty members are expected to hold their classes at the times and places originally specified. All changes should have the approval of the Dean of Academic and the President, when necessary, for the use of the facility.

DISRUPTIVE BEHAVIORS- In the Faculty Handbook, but states differently?

Behavior that disrupts the learning environment is not tolerated. The students will, at all times, conduct themselves with professionalism, courtesy, and respect for all constituents of the University.

STUDENT COMPLAINTS

The faculty should advise students who have a complaint to attempt to resolve issues and concerns directly with the employee with whom they have a concern. FINAL EXAM COURSE GRADE

Faculty members are expected to evaluate the work of students enrolled in college-level credit courses and to assign grades. “We’ve Come This Far by Faith”

Chorus-

We’ve come this far by faith

Leaning on the Lord

Trusting in His Holy Word

He never failed us yet

Oh, can’t turn around.

We’ve come this far by faith.

Verse- Don’t be discouraged.

when trouble comes into your life.

He will bear your burdens oh.

He will remove all our misery and strife.

And that’s why---(chorus)

Verse-Just the other day, I heard a man say.

He did not believe in God’s word.

But I can truly say the Lord will make a way.

Because He has never failed me. -----(chorus)
